***New for this year-- SABA SWAG!***

SABA-NA is pleased to announce the opening of the SABA merchandise store: <https://teamlocker.squadlocker.com/#/lockers/saba-north-america>.

SABA is facing unprecedented challenges, and has created this store to help navigate a challenging climate. The store will not only help promote the SABA brand, but most importantly, SABA receives 20% back on all orders. SABA initially plans to use the proceeds for advocacy work, but depending on the success of this initiative, it could also be used to support other programs.

**Through the end of June, please use this code for an additional 15% off your order: SABA15AS.** We encourage you to order your swag before the national conference, so that you can proudly wear it at the conference.

Thank you for your support of SABA!!

**Introducing SABA-GB's 2025 Public Interest Fellow!**

This summer, Ananya will be an immigration law intern at the Legal Aid of Southeast and Central Ohio as well as De Novo in Cambridge, MA. In her role at both organizations, she will work with clients to navigate the complicated immigration system through legal avenues of asylum, TPS, visas, SIJ, and more. She is very excited to work with immigrant groups and to be a part of the country-wide effort to make the immigration system more equitable for all. Join us in congratulating Ananya!
